

ESW Primary Science Curriculum Overview

	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Foundati on Stage	Seasonal Change – Autumn	Materials and Properties	Forces Seasonal Change – Winter	Life Cycles – Plants Seasonal Change Spring	Animals and Habitats	Healthy Life Seasonal change – Summer
Year 1 (Year A)	Human (parts of the human body)	Plants	Animals including humans Seasonal Change – winter	Plants Seasonal change – Spring	Everyday materials (indoors)	Materials Seasonal Change – summer
Year 2 (Year B)	Plants	Everyday materials (outdoors)	Animals including humans (basic need and growth)	Plants All about diet and health	Living things and their habitats – Food chains	Living things and their habitats (around the World)
Year 3 (Year A)	Animals including humans (what makes us)	Rocks and Soils	Forces and Magnets	Plants – Life cycles	Light	Plants – exploring a world of plants
Year 4 (Year B)	Electricity	Animals including humans – teeth, digestive system	States of matter	Living things and their habitats	Sound	Habitats and conservation
Year 5 (Year A)	Forces – Levers and Pulleys	Earth and Space	Living things and their habitats	Properties of materials	Changing properties of materials	Animals including humans – life cycles
Year 6 (Year B)	Living things and their habitats	Electricity	Animals including humans – heart and blood circulation	Light	Evolution and inheritance	Evolution and inheritance Environmental Earth Awareness.

Biology	Chemistry	Physics
